Committee Chairs Meeting

The CCM is made up of the TSC as well as RISC-V Committee chairs. See the technical organization slides for a list of horizontal committees. The CCM meets every 2 weeks to guide the technical direction of RISC-V. Meeting membership and mailing list participation are restricted.

Agendas are located here:

Important notes are logged in the "speaker's notes" of the slides.

Technical Steering Committee 2021-2022 Officers
Chair: Yunsup Lee
Vice-chair: Yungang Bao
